

## Business Safety Mentoring Agreement

This agreement is a simple, short overview for provision of the Monthly Subscription Service. Full terms and conditions including GDPR, service and payments are at [marksafety.co.uk](http://marksafety.co.uk) or available on written request.

Mentoring subscription will run and be invoiced monthly from the 1st of each month payable by direct debit or standing order. 1 Months written notice is required from either party to terminate or change subscription terms. Initial payment will include first and last months subscription (covering the cancellation period upfront).

As a Business Mentor, Marksafety is a complementary support resource providing principled guidance and suggestion. The business remains ultimately responsible for compliance and day to day H&S management. Marksafety will provide "support" through the director responsible for Health & Safety, appointed business manager or the person within the business appointed with the day to day coordination of Health & Safety.

It is expected that the business will invest in additional mentoring / training as is reasonable / required, be proactive and be open in communicating with Marksafety to receive best service and value from subscription. Please remember tools, and techniques used during mentoring remain the intellectual property of Marksafety. Likewise privileged client information will be treated confidentiality by Marksafety as expected.

### Basic Business Health & Safety Mentoring support package includes;

- A subscription certificate confirming Marksafety Limited as appointed Businesses Safety Mentor.
